Sports/ PE funding

From September 2013 the government has allocated funding directly to primary schools to support the provision of high quality PE/sport.

2017/18

Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil providing a total of £20090 (during 2016/17 we received £9745). The local authority (Redcar and Cleveland Borough Council) distributes PE and sport premium funding for maintained schools in two separate payments. We will receive:

7/12 of funding allocated to the LA on 31 October 2017

5/12 of your funding allocation on 30 April 2018

 - One hour of sports leadership training (delivered at lunchtime)
 - One hour of after school sport, to be shared out equally over the year between all year groups.
2. Membership of the 'Rye Hills Sports Partnership', which provides access to the following:
 - 'Bikeability' course delivered to all year 4 and 5 pupils, Street wise to Y3 and Balanceability to Reception.
 - Entry into half termly inter-school competitions, via the local Rye Hills Sports Partnership, including transportation.
 - INSET training, via the local Rye Hills Sports Partnership, for all staff on the PE scheme of work
 - Mentoring for newly qualified staff
 - Lesson Support from the local 'Rye Hills Sports Partnership' to develop more effective delivery of PE lessons.
